Friday a.m.

Dear Mr. Garrison,

24 S. E. Sewall and I have talked over the subject of G. Thompson's going with you to the A. S. Conference - and we have gone as far as to draw up a paper for the purpose of obtaining the needful funds, (or so much as may be,) and the question now is for some one to take charge of it. Mr. Sewall thinks that Geo. W. Light will do it. — If you know of any objection to this arrangement, you will please communicate

the Dance at once to
Mr. Sewall.

We say on our paper
- the money to be refunded
in case Mr. Thompson does
not go. ~~& the Card~~

Would it not be well
to let Mr Kinn know what
we are attempting, & give
G. T. i friends in New York,
an opp. to help in
making up the necessary
sum?

Truly Yrs
